

Identity Theft Protection Benefits for your Employee

Employee benefits are more critical than ever to attract the best talent. By providing identity Theft protection, you'll be able to increase employee productivity and provide your employees peace of mind. With data breaches on a staggering rise, cyber criminals are more motivated than ever to profit from compromised data.

Spotlight ID™ is a best-in-class identity theft protection monitoring service to minimize the risk of employee data being misused on the Dark Web. Spotlight ID provides near real-time notifications allowing employees to be notified in the event their personal information has been compromised.

Identity theft can take many forms. Spotlight ID's comprehensive and affordable identity protection service monitors all credit and non-credit activity allowing employees to take control by monitoring their identity and credit profile anytime 24/365. It's easy, secure, and enrollment takes only a matter of minutes.

How It Works

With Spotlight ID, our service notifies the subscriber of any suspicious activity involving their personal data so your employees can take immediate action. Our team of industry experts have supported the identities of millions of individuals impacted by some of the largest and most costly cyber incidents in history. Take even greater comfort knowing that our \$1,000,000 identity insurance* covers restoration-related expenses.

Comprehensive & Secure

More comprehensive than LifeLock® or other competitors.

Easy Enrollment

Verify your identity in a few short steps and start your protection immediately.

Friendly Pricing

The best value available with 3 flexible plans to choose from.

We know what it takes to protect your identity and we prove it.

Personal Identity

Monitor the PII (Personal Identifiable Information) that matters the most: Name, Date of Birth, SSN, Address, Email Addresses and Passwords.

Social Profile

Get alerted when someone is actively targeting you and your children's social media profiles.

Credit Profile

Receive instant updates, alerts and access to your credit from all 3 major credit bureaus.

Restore

Our US-based team of Certified Identity Restoration Specialists will work on your behalf to completely restore your identity. Take even greater comfort knowing that our \$1,000,000 identity insurance* coverage for restoration-related expenses is there if needed.

Find the plan that works best for you.
